STEWARDS REPORT: At Royal Randwick on 13/02/2010 **SO DETACHED** Rdr said intention had been to be closer to lead, however mount lost footing at start losing ground. He added that when a runner raced ungenerously to his inside he was hampered which delayed him taking up a position in the early stages and as a result mount lost concentration and he was obliged to ride it along in the early stages..

GEAR CHANGES: LONCHERO: Blinkers On. **IN EXPECTATION:** Blinkers On.

STEWARDS REPORT: At Royal Randwick on 13/02/2010 **HERAKLION** Rdr said mount was first up and was disappointing however was not entirely happy on the wet track. Added horse would derive benefit from run and would appreciate races over longer journeys. Post race vet exam no abs.. At Canterbury Park on 12/02/2010 **GENERAL'S SNIPER** Began awkwardly losing ground. Crowded shortly after. Rdr said that after being slowly away he rode the filly along in the early stages to take up a more forward position however mount when he attempted to restrain would not come back and as a result he was checked off heels near the 1000m.. At Warwick Farm on 17/02/2010 **ANSCHLUSS** Bumped shortly after the start. When qstrn rdr std from wide barrier, mount did not have best run in transit, however was of opinion that gelding was entitled to run on better than it did. Post race vet exam did not reveal any abnormalities.. At Wyong on 21/02/2010 **LANDLOCKED (NZ)** Slow to begin. Near the 1100m was bumped.. At Canterbury Park on 12/02/2010 **HOME ON A WING** Bumped at start.. At Wyong on 21/02/2010 **KATISAM** Held up near the 200m and had to shift out around heels passing the 150m to obtain clear running..

GEAR CHANGES: KATISAM: Blinkers On.
