“BOBS BUYER” (DOUBLE UP) PROMOTION

11. In addition to cash bonuses provided to owners, Racing NSW may make available additional funds to be used for the purchase of any BOBS eligible racehorses being sold at public auctions in Australia or New Zealand by participating Sales Companies, (Magic Millions, William Inglis, Peter Milling Bloodstock, Brisbane Bloodstock or NZ Bloodstock), referred to as “BOBS Buyer” or BOBS Double Up. Bonus winning owners participating in the BOBS Double Up programme are referred to as “BOBS Buyer”. The objective of BOBS Double Up is to encourage winning owners to re-invest in purchasing and racing BOBS eligible racehorses in NSW. Racing NSW will administer the BOBS Double Up programme in a manner consistent with this objective. The BOBS Double Up promotion is available for BOBS Extra Bonuses.
12. From time to time, Racing NSW will determine the amount of funds available, if any, that may be claimed in this manner. Racing NSW reserves to itself the right to increase or decrease at any time the amount of bonuses available under this promotion and to cease the promotion at any time or to allocate bonuses as it sees fit.
13. Racing NSW may at any time impose a limit on the total amount of BOBS bonuses that may be Doubled Up by any owner(s). An individual owner that has interests in several horses in different ownership groups may be subject to this limit.
14. It is anticipated that the amount of funds available under the “BOBS Buyer” Double Up promotion (subject to the approval of the Board of Racing NSW) will be approximately \$6,000,000 for BOBS 2025 and BOBS 2026.
15. For the time being under the “BOBS Buyer” Double Up promotion, each owner of a horse may choose to increase their share of a bonus by 100% under the following conditions:
 - a. Each and every owner has the option of registering with Racing NSW as a “BOBS Buyer”;
 - b. Racing NSW will establish a credit account on behalf of each “BOBS Buyer”;
 - c. Where a “BOBS Buyer” wins a bonus, the Stakes Payment System will credit the “BOBS Buyer’s” account for the standard owner entitlement, plus 100%;
 - d. The table below gives a comparison of the amounts to be paid for owners share of a standard cash bonus versus a “BOBS Buyer” bonus;

Race	Cash	“BOBS Buyer”
Metropolitan TAB (Saturday, Public Holidays with Saturday equivalent prizemoney)	\$16,000	\$32,000
Metropolitan TAB (Midweek, Sundays and Public Holidays with less than Saturday equivalent prizemoney)	\$8,000	\$16,000
Provincial TAB	\$4,000	\$8,000
Country TAB	\$4,000	\$8,000
Country Non-TAB and Picnics	\$1,000	\$2,000

- e. Where an owner is not registered with Racing NSW as a “BOBS Buyer”, and when a horse that person owns wins a bonus race, that owner may register as a “BOBS Buyer” by the close of business twenty (20) working days after the bonus is won. Proforma forms are available at www.racingsw.com.au;
- f. “BOBS Buyers” may then use the credits against purchases of any BOBS eligible yearlings sold at public auctions conducted by participating Sales Companies in Australia or New Zealand; In addition to the relevant form, it is the sole responsibility of the “BOBS Buyer” to provide Racing NSW a tax invoice for the purchase of the horse from the participating Sales Company; For the avoidance of doubt, the use of “BOBS Buyer Credits” is subject to the following conditions:
 1. “BOBS Buyer Credits” MAY be used in the following circumstances to purchase horses which are BOBS eligible and unraced:
 - (i) To purchase any BOBS - eligible yearling sold at public auctions conducted by participating bloodstock sales companies (clause 11);
 - (ii) To purchase eligible horses at “Ready To Run” public auction sales conducted by participating bloodstock sales companies (clause 11);
 - (iii) To purchase shares in registered syndicates offered by Promoters and Authorized Representatives licensed by Racing NSW, at the value of the share of the horse only, not including additional costs such as marketing, promotion, etc;
 - (iv) To purchase unraced 2YO’s at Dispersal Sales auctions conducted by participating Sales Companies (clause 11);
 - (v) To pay for stallion service fees (effective 1 July, 2014). The stud needs to be registered for the programme with Racing NSW and the stallion must be a nominated BOBS Stallion. Vouchers cannot be used when the ownership of the mare is the same in part or full to the ownership of the stallion.
 2. “BOBS Buyer Credits” MAY NOT be used in the following circumstances:
 - (i) To purchase a horse which the redeeming party has bred or in which he or she has a beneficial financial interest. This condition applies irrespective of whether the purchaser retains a beneficial interest in the horse after it has been successfully auctioned;
 - (ii) To purchase weanling horses;
 - (iii) To purchase goods and services such as training fees or any other equine related professional or other services.
- g. Racing NSW will advise participating Sales Companies of the credit balance of a “BOBS Buyer’s” account if so requested;
- h. “BOBS Buyer” credits are not redeemable for cash at participating Sales Companies. If a “BOBS Buyer” wishes to redeem the credits as cash they may do so through the Racing NSW Stakes Payment System for the non-grossed up amount, i.e. the cash bonus current at the time the bonus was won;
- i. Should the lessee or the manager of a Syndicate racing a leased horse elect to take a bonus in the form of a “BOBS Buyer” credit, then the lessor is entitled at all times to receive “double net proceeds”. By way of example, if a \$20,000 bonus is won, and the “rental” in a particular case is 20% payable to the lessor by the lessee(s), then should the lessee(s) elect to take a cash bonus the lessor would receive \$4,000 cash. If the lessee(s) elect to take a “BOBS Buyer” credit, then the lessor would be entitled to receive \$8,000 in a “BOBS Buyer” credit from Racing NSW, and the owner (in this case the lessee(s)) would receive a “BOBS Buyer” credit for \$24,000;

- j. Except by the express permission of Racing NSW, "BOBS Buyer" credits which have not been redeemed within 24 months from the date of the race in which the bonus was won will be declared null and void, and of no value;
 - k. "BOBS Buyer" credits issued to the same owners may be aggregated without limit to their accumulated value; Redemption of such aggregated value will be subject to them being redeemed within 24 months from the date of the race in which the bonus was won. Should there be different issue dates on such aggregated "BOBS Buyer" credits then care should be taken to ensure that any single credit's currency does not expire;
 - l. A "BOBS Buyer" credit may only be redeemed by the Owner of the bonus-winning horse. It may not be transferred beneficially to any other person or entity;
 - m. An owner who redeems a "BOBS Buyer" credit must provide written evidence of the intended ownership of the horse for which the "BOBS Buyer" credit will be used;
 - n. Members of a syndicate or partnership (subject to a maximum of twenty members) may each elect to take either a cash bonus or a "BOBS Buyer" credit and maintain separate accounts. This will apply to owners who may be members of more than one syndicate or partnership.
16. For the avoidance of doubt, Racing NSW may cancel the "BOBS Buyer" promotion at any time without giving reasons honouring only liabilities existing at that time.
17. Racing NSW reserves the right to decline the approval of a "BOBS Buyer" credit redemption when, in the opinion of Racing NSW, such credit has not been redeemed in accordance with meeting the objectives of the scheme.
