TRAVEL FROM VICTORIA

COVID-19 POLICIES

Effective 20 OCTOBER 2021

Essential Personnel (jockeys, trainers, stablehands, Officials and Service Providers) who reside in or have been to Victoria must undertake the following policies prior to attending a NSW racecourse or licensed premises in addition to any requirements under the NSW Government Public Health Orders listed below.

https://www.health.nsw.gov.au/Infectious/covid-19/Documents/interstate-concerns-notice.pdf

- Victorian Places of High Concern or Casual Contact – Any person that has been in a place of high concern or casual contact at the link below, must not attend a NSW racecourse or licensed premises until they make contact with Racing NSW Stewards and provide details of such contact. Racing NSW Stewards will provide details of requirements before attending a NSW racecourse or licensed premises.

- State of Victoria (**fully vaccinated)** – Any fully vaccinated person that has been in the State of Victoria (other than the NSW/Victorian bubble) and has not been to a place of high concern or casual contact, must not attend a NSW racecourse or licensed premises until such time that they:
    o Provide Racing NSW Stewards with evidence to their satisfaction of the day they arrived in NSW and evidence of having submitted an entry declaration with Service NSW.
    o Provide Racing NSW Stewards with evidence to their satisfaction of vaccination status, showing they have been fully vaccinated with a COVID-19 vaccine.
    o Self-isolate for 5 days and provide Racing NSW Stewards with the negative results of PCR COVID-19 tests taken on day 1 & 5 of the isolation period.

- State of Victoria (**not fully vaccinated) -** Any person that has been in the State of Victoria (other than the NSW/Victorian bubble) and has not been to a place of high concern or casual contact, must not attend a NSW racecourse or licensed premises until such time that they:
    o Provide Racing NSW Stewards with evidence to their satisfaction of the day they arrived in NSW and evidence of having submitted an entry declaration with Service NSW.
    o Self-isolate for 14 days and provide Racing NSW Stewards with the negative results of PCR COVID-19 tests taken on day 4, 10 & 14 of the isolation period.

Horse Travel from Victoria

Horses being transported from Victoria to NSW (other than from within the NSW/Victoria Bubble) to a licensed premises or racecourse must be done so in accordance with the following policy.

- Transported drivers that have been in Victoria must meet the following conditions to be eligible to transport a horse to NSW licensed premises.
  - must be fully vaccinated.
  - have received a negative PCR test within the last 3 days.
- Transport drivers are not to enter stables or licensed premises and horses must be led into the stables or licensed premises by NSW based licensed person.
