

COVID-19 Update

31 March 2021

Queensland and Northern NSW

Racing NSW has continued to monitor developments in Queensland and Northern NSW in respect to the most recent COVID-19 cases and has taken expert advice.

On Monday 29 March 2021 Racing NSW directed that any person that was at the Eagle Farm race meeting on 20 March 2021 and the Doomben race meeting on 27 March 2021 or has been in the Greater Brisbane Area since 20 March 2021, must not attend a NSW racecourse or licensed premises until further notice. Such direction remains in place.

Should the Queensland stay at home orders be extended any person that has been in the Greater Brisbane Area since 20 March 2021, will not be permitted to attend a NSW racecourse or licensed premises until further notice.

If the Queensland stay at home orders currently due to expire at 5pm on Thursday 1 April 2021 are not extended, then Racing NSW will take expert advice in respect of attendance at NSW racecourses and licensed premises by essential personnel (including jockeys, trainers, stablehands, officials and service providers) who have been in the Greater Brisbane Area since 20 March 2021. If Racing NSW, having taken expert advice, allows attendance by such essential personnel then it is expected that it would be subject to a requirement to provide Racing NSW Stewards with a negative COVID-19 test result. Accordingly Racing NSW encourages such persons to undertake a COVID-19 test as soon as possible to allow entry to a NSW racecourse or licensed premises should Racing NSW's restrictions be relaxed.

Coffs Harbour and Ballina Race Meetings

On Tuesday 30 March 2021, Racing NSW directed that the race meetings to be conducted at Coffs Harbour on Thursday 1 April 2021 and Ballina on Tuesday 6 April 2021, will be closed to the general public and owners. Only licensed persons, officials and service providers that are participating at the race meetings shall be permitted to attend. In addition, any person that resides in Queensland, including those who reside outside the Greater Brisbane Area, will not be permitted to attend either race meeting. This includes, licensed persons, officials, service providers and owners.

NSW Venues

Anyone who has been to the following venue must immediately get tested and self-isolate and remain in isolation until further advice is provided by NSW Health. Such persons are not permitted to attend a NSW racecourse or licensed premises until further notice. Any licensed person should contact Racing NSW Stewards to advise of

such occurrence and will be required to provide Racing NSW Stewards with a negative COVID-19 test before returning to a racecourse or licensed premises when approval is given.
