Race Meetings

Race clubs in the Greater Sydney Area, including the Central Coast (Gosford/Wyong) and Wollongong (Kembla Grange) may allow patrons (including owners) to attend race meetings but must ensure proper separation from Essential Personnel. Race clubs should continue to monitor the NSW Government website to ensure compliance with any orders that are in place which currently limit indoor spaces to one person every 4 square metres and not more than 300 persons per every indoor space for venues in the Greater Sydney Area. Patrons should be encouraged to wear face masks.
