NSW Western Regional Exposure sites

Following health authorities confirming that a positive COVID-19 case from Victoria travelled to western NSW and Queensland areas, Racing NSW requires if any person has been to the venues listed below, to follow NSW Health Orders and get tested and self-isolate until further notice.

Further, those persons must not attend a NSW racecourse or licensed premises until such time that they provide Racing NSW with a negative COVID-19 test result and approval is given from Racing NSW to resume attendance.
