(1) 1% of the Approval Holder's Under Exempt Threshold Turnover;

(2) as to the Approval Holder's Over Exempt Threshold Turnover:

(a) 2% in respect of any race held at a Standard Race Meeting (other than Turnover of wagers made at Totalizator Derived Odds);

- (e) they have a common Key Employee or a common director (for example: if a person is a director or key employee of two companies both of which have Australian Wagering Licences, then those two companies are considered "Related");
- (f) one is a partner in another wagering operation that is conducted as a partnership
- (g) a Key Employee or a director of one is a partner of the other;

### **6.1 Related Australian Wagering Operators**

Yes/No

(If No, proceed to Section 7):

If Yes, for each Australian Wagering Operator to whom the Applicant is Related, provide details of:

\_\_\_\_\_  
(a) Name of Related Australian

\_\_\_\_\_  
(b) Name of Related Australian  
Wagering Operator

\_\_\_\_\_  
Nature of "Relationship"

\_\_\_\_\_  
Licence Details

\_\_\_\_\_  
"Related" since

**Note:** A separate Application is required to be lodged by each Australian Wagering Operator even if they are Related to other Australian Wagering Operators.

## 6.2 Allocation of Exempt Turnover Threshold

For the purpose of assessing the fees payable to Racing NSW where a number of Australian Wagering Operators are "Related", a single "exempt turnover threshold" applies to the entire "Group".

*For example, if a company and its subsidiary both hold wagering licences granted under the laws of an Australian State or Territory and each hold approvals from Racing NSW for a full financial year, in that financial year those two companies would pay fees at a rate equal to their combined Net wagering turnover (net of any bet back credits) on NSW thoroughbred race meetings exceeding the \$5 million exempt threshold at 2.0-2.5% on NSW thoroughbred Standard race meetings, 2.5-3.0% on NSW thoroughbred Premium races and 3.0-3.5% on NSW thoroughbred Premier race meetings. As the companies are related, they would not each be entitled to a separate exemption on their first \$5 million of turnover on NSW thoroughbred racing. Rather a single \$5 million threshold would apply to their combined turnover on NSW thoroughbred racing.*

Does the Applicant and its Related Australian Wagering Operators wish to nominate the amount of the Exempt Turnover Threshold to be allocated to each of the members of the Group?

Yes/No

(If Yes, specify the allocation to each member of the Group)

---

**Note:** Racing NSW will only have regard to a nominated allocation if the total amounts allocated do not exceed \$5 million (adjusted pro-rata for the period of FY25 covered by the NSW Thoroughbred Information Use Approval) and if all members of the group nominate the same allocation. See clause 2.2 of the Standard Conditions.

**For wagering operators which are a Company this application must be accompanied by a copy of an ASIC HISTORICAL COMPANY EXTRACT (dated within seven days of this application), the CONSTITUTION and CERTIFICATE OF INCORPORATION of the Company and any Companies that are have a direct or indirect shareholding in the Company.**
