***Duty of care statement**

Riders should carefully consider their capability to ride Thoroughbred racehorses especially if they wish to continue riding beyond the age of 70 years. If Racing NSW issues a rider license to the applicant, this does not amount to a representation to, or endorsement of, the applicant concerning his or her current fitness to ride thoroughbred racehorses. Riders should form and rely on their own view concerning their own fitness to ride based on their knowledge of their current physical capabilities, advice from their own medical practitioners and their knowledge of riding thoroughbred horses drawing from their past experience. Racing NSW is not responsible for a Riders physical condition and decision to ride. If at any time a Riders condition changes so that he or she suspects he or she may again be physically unable to ride to the required level, he or she should immediately discontinue riding, inform Racing NSW and consult his or her medical practitioner.
